IAPP Volunteer Contributions Really Really Add Up

Last year, IAPP volunteers helped to bring expertly-curated content, networking events, and career development opportunities to privacy pros around the world.

In 2021:

Nearly 4,000 IAPP volunteers contributed over 20,000 hours.

They held over 530 KnowledgeNet Chapter meetings for 36,000 members.

They published 300 articles, read by more than 75,000 privacy pros.

They provided content and expertise for over 450 webcons and networking events.

Their expert input helped more than 9,323 members get certified.

They engaged more than 71,000 members in 155 countries.
