HELPFUL TIPS AND TRICKS

UTILIZE YOUR YOUNG PRIVACY PROFESSIONAL
Young Privacy Professionals are volunteers that work side-by-side with their local KnowledgeNet Chapter Chairs in planning at least two networking activities per year. You can find a list of our current pro’s here. Don’t have one? No problem. Reach out to your IAPP Staff Partner to learn more.

GET SOCIAL!
Social media is an ideal space for getting the word out about your event. Get creative! Reach out to your network and share details about your upcoming event to help build interest. Quick tip: an easy (and free) way to promote your networking activity is to create a hashtag; for example: #IAPPKnowledgeNet

KEEP THE IAPP INFORMED
Whether you are a Chapter Chair, or a Young Privacy Professional, we want you to have a great experience. Networking should be fun! Contact your IAPP Staff Partner when it comes to your event, and we’ll do our absolute best to give you the support you need.

Looking for more details? We’ve got your covered.
Check out our Chapter Chair Manual to get an in-depth explanation on each of these steps.

QUESTIONS ABOUT NETWORKING?

Networking Toolkit

Networking activities, such as Coffee Chats and Happy Hours, help local members get together in a more casual setting.

STEP-BY-STEP

1. Secure your location
2. Select a date
3. Confirm your Coffee Chat or Happy Hour with your IAPP Staff Partner
   a. Networking Details Form: Use this form to send us your upcoming networking activity details
   b. Online registration, promotion, and invites are taken care of by IAPP
4. Networking day
   a. Make sure you have everything covered with this comprehensive Networking Day Checklist.
5. Post-meeting
   a. Connect with your IAPP Staff Partner to give feedback, attendee numbers, and any other useful information
