In this Act:

(1) AFFIRMATIVE EXPRESS CONSENT.—

(A) IN GENERAL.—The term “affirmative express consent” means an affirmative act by an individual that clearly communicates the individual’s freely given, specific, informed, and unambiguous authorization for an act or practice after having been informed, in response to a specific request from a covered entity that meets the requirements of subparagraph (B).

(B) REQUEST REQUIREMENTS.—The requirements of this subparagraph with respect to a request from a covered entity to an individual are the following:

(i) The request is provided to the individual in a clear and conspicuous standalone disclosure made through the primary medium used to offer the covered entity’s product or service, or only if the product or service is not offered in a medium that permits the making of the request under this paragraph, another medium regularly used in conjunction with the covered entity’s product or service.

(ii) The request includes a description of the act-or-practice processing purpose for which the individual’s consent is sought and—

(I) clearly states the specific categories of covered data that the covered entity shall collect, process, and transfer for each act or practice; necessary to effectuate the processing purpose; and

(II) clearly distinguishes between any act or practice which is necessary to fulfill a request of the individual and any act or practice which is for another purpose; and

(III) includes a prominent heading and is written in easy-to-understand language that would enable a reasonable individual to identify and understand the processing purpose for which consent is sought and the covered data to be collected, processed, or transferred by the covered entity for such processing purpose.

(iii) The request clearly explains the individual’s applicable rights related to consent.

(iv) The request shall be made in a manner readily reasonably accessible to and usable by individuals with disabilities.

(v) The request shall be made available to the public in each language in which the covered entity provides a product or service for which authorization is sought or in which the covered entity carries out any activity related to any product or service for which the covered data of the individual may be collected, processed, or transferred.

(vi) The option to refuse consent shall be at least as prominent as the option to accept, and the option to refuse consent shall take the same number of steps or fewer as the option to accept.

(vii) Processing or transferring any covered data collected pursuant to affirmative express consent for a different processing purpose than that for which affirmative express consent was obtained shall require affirmative express consent for the subsequent processing purpose.

(C) EXPRESS CONSENT REQUIRED.—A covered entity shall may not infer that an individual has provided affirmative express consent to an act or practice from the inaction of the individual or the individual’s continued use of a service or product provided by the covered entity.

(D) PRETEXTUAL CONSENT PROHIBITED.—A covered entity shall may not obtain or attempt to obtain the affirmative express consent of an individual through—

(i) the use of any false, fictitious, fraudulent, or materially misleading statement or representation; or
(ii) the design, modification, or manipulation of any user interface with the purpose or substantial effect of obscuring, subverting, or impairing a reasonable individual's autonomy, decision making, or choice to provide such consent or any covered data.

(2) ALGORITHM.—The term "algorithm" means a computational process that uses machine learning, natural language processing, artificial intelligence techniques, or other computational processing techniques of similar or greater complexity that makes a decision or facilitate human decision-making with respect to covered data, including to determine the provision of products or services or to rank, order, promote, recommend, amplify, or similarly determine the delivery or display of information to an individual.

(2) AUTHENTICATION. – The term “authentication” means the process of verifying an individual or entity for security purposes.

(3) BIOMETRIC INFORMATION
   (A) IN GENERAL. – The term "biometric information" means any covered data generated from the technological processing of an individual's unique biological, physical, or physiological characteristics that is linked or reasonably linkable to an individual, including—
      (i) fingerprints;
      (ii) voice prints;
      (iii) iris or retina scans;
      (iv) facial mapping or hand mapping, geometry, or templates; or
      (v) gait or personally identifying physical movements.
   (B) EXCLUSION. – The term "biometric information” does not include –
      (i) a digital or physical photograph;
      (ii) an audio or video recording; or
      (iii) data generated from a digital or physical photograph, or an audio or video recording that cannot be used to identify an individual.

(4) COLLECT; COLLECTION.—The terms “collect” and “collection” mean buying, renting, gathering, obtaining, receiving, accessing, or otherwise acquiring covered data by any means.

(5) COMMISSION.—The term “Commission” means the Federal Trade Commission.

(6) COMMON BRANDING.—The term “common-branding” means a name, service mark, or trademark that is shared by 2 or more entities.

(7) CONTROL.—The term “control” means, with respect to an entity—
   (A) ownership of, or the power to vote, more than 50 percent of the outstanding shares of any class of voting security of the entity;
   (B) control over the election of a majority of the directors of the entity (or of individuals exercising similar functions); or
   (C) the power to exercise a controlling influence over the management of the entity.

(7) COVERED ALGORITHM.— The term “covered algorithm” means a computational process that uses machine learning, natural language processing, artificial intelligence techniques, or other computational processing techniques of similar or greater complexity and that makes a decision or facilitates human decision-making with
with respect to covered data, including to determine the provision of products or services or to rank, order, promote, recommend, amplify, or similarly determine the delivery or display of information to an individual.

(8) COVERED DATA.—
(A) IN GENERAL.—The term "covered data" means information that identifies or is linked or reasonably linkable, alone or in combination with other information, to an individual or a device that identifies or is linked or reasonably linkable to an individual, and may include derived data and unique persistent identifiers.
(B) EXCLUSIONS.—The term "covered data" does not include—
(i) de-identified data;
(ii) employee data;
(iii) publicly available information; or
(iv) inferences made exclusively from multiple independent sources of publicly available information that do not reveal sensitive covered data with respect to an individual.
(C) EMPLOYEE DATA DEFINED.—For purposes of subparagraph (B), the term "employee data" means—
(i) information relating to a job applicant collected by a covered entity acting as a prospective employer of such job applicant in the course of the application, or hiring process, provided that if such information is collected, processed, or transferred by the prospective employer solely for purposes related to the employee's status as a current or former job applicant; or
(ii) information processed by an employer relating to an employee who is acting in a professional capacity for the employer, provided that such information is collected, processed, or transferred solely for purposes related to such employee's professional activities on behalf of the employer;
(iii) the business contact information of an employee, including the employee's name, position or title, business telephone number, business address, or business email address that is provided to an employer by an employee who is acting in a professional capacity, provided that if such information is collected, processed, or transferred solely for purposes related to such employee's professional activities on behalf of the employer;
(iv) emergency contact information collected by an employer that relates to an employee of that employer, provided that such information is collected, processed, or transferred solely for the purpose of having an emergency contact on file for the employee and for processing or transferring such information in case of an emergency; or
(v) information relating to an employee (or a spouse, dependent, other covered family member or beneficiary of such employee) that is necessary for the employer to collect, process, or transfer solely for the purpose of administering benefits to which such employee (or relative or beneficiary of such employee) is entitled on the basis of the employee's position with that employer.

(9) COVERED ENTITY.—The term "covered entity"—
(A) IN GENERAL.—The term "covered entity"—
(i) means any entity or any person, other than an individual acting in a non-commercial context, that alone or jointly with others determines the purposes and means of collecting, processing, or transferring covered data and—
(II) is subject to the Federal Trade Commission Act (15 U.S.C. 41 et seq.);
(III) is a common carrier subject to the Communications Act of 1934 (47 U.S.C. 151 et seq) and all Acts amendatory thereof and supplementary thereto; or
(iii) (III) is an organization not organized to carry on business for its own profit or that of its members; and

(B) (ii) includes any entity or person that controls, is controlled by, or is under common control with another the covered entity.

Amendment to the Amendment in the Nature of a Substitute (H8152.FC.AMDT.01), filed by Rep. Lesko (R-AZ) and Rep. Kuster (D-NH) to H.R. 8152: [PDF]

(C) (B) EXCLUSIONS.—The term “covered entity” does not include—

(i) a governmental entity such as a body, authority, board, commission, district, agency, or political subdivision of the Federal, State, or local government;

(i) a Federal, State, Tribal, territorial, or local government entity such as a body, authority, board, bureau, commission, district, agency, or political subdivision of the Federal Government or a State, Tribal, territorial, or local government; or

(ii) a person or an entity that is collecting, processing, or transferring covered data on behalf of or a Federal, State, Tribal, territorial, or local government entity, in so far as such person or entity is acting as a service provider to the government entity; or

(iii) an entity that serves as a congressionally designated nonprofit, national resource center, and clearinghouse to provide assistance to victims, families, child-serving professionals, and the general public on missing and exploited children issues.

(C) NON-APPLICATION TO SERVICE PROVIDERS.—An entity shall not be considered to be a covered entity for purposes of this Act in so far as the entity is acting as a service provider (as defined in paragraph (29)).

(10) COVERED LANGUAGE.—The term “covered language” means the ten languages with the most users in the United States, according to the most recent United States Census.

(11) COVERED MINOR.—The term “covered minor” means an individual under the age of 17.

(10) (12) DE-IDENTIFIED DATA.—The term “de-identified data” means information that does not identify and is not linked or reasonably linkable to an individual or an individual’s device, regardless of whether the information is aggregated, provided that and if the covered entity—

(A) takes reasonable technical, administrative, and physical measures to ensure that the information cannot, at any point, be used to re-identify any individual or device that identifies or is linked or reasonably linkable to an individual;

(B) publicly commits in a clear and conspicuous manner—

(i) to process and transfer the information solely in a de-identified form without any reasonable means for re-identification; and

(ii) to not attempt to re-identify the information with any individual or device that identifies or is linked or reasonably linkable to an individual; and

(C) contractually obligates any person or entity that receives the information from the covered entity or service provider— to comply with all of the provisions of this paragraph.

(i) to comply with all of the provisions of this paragraph with respect to the information; and

(ii) to require that such contractual obligations be included contractually in all subsequent instances for which the data may be received.
(13) DERIVED DATA.—The term “derived data” means covered data that is created by the derivation of information, data, assumptions, correlations, inferences, predictions, or conclusions from facts, evidence, or another source of information or data about an individual or an individual’s device.

(14) DEVICE.—The term “device” means any electronic equipment capable of transmitting or receiving covered data that is designed for use by one or more individuals.

(15) EMPLOYEE.—The term “employee” means (regardless of whether such employee is paid, unpaid, or employed on a temporary basis) an individual who is an employee, director, officer, staff member, an individual working as an independent contractor that is not a service provider, trainee, volunteer, or intern of an employer, regardless of whether such individual is paid, unpaid, or employed on a temporary basis.

(16) EXECUTIVE AGENCY.—The “Executive agency” has the meaning set forth in section 105 of title 5, United States Code.

(17) FIRST PARTY ADVERTISING OR MARKETING.—The term “first party advertising or marketing” means advertising or marketing conducted by a first party either through direct communications with a user such as direct mail, email, or text message communications, or advertising or marketing conducted entirely within the first-party context, such as in a physical location operated by the first party, or on a web site or app operated by the first party.

(18) GENETIC INFORMATION.—The term “genetic information” means any covered data, regardless of its format, that concerns an individual’s genetic characteristics, including—

(A) raw sequence data that results from the sequencing of an individual’s complete extracted or a portion of the complete, or a portion of the, extracted deoxyribonucleic acid (DNA) of an individual; or

(B) genotypic and phenotypic information that results from analyzing the raw sequence data described in subparagraph (A).

(19) INDIVIDUAL.—The term “individual” means a natural person residing in the United States.

(20) KNOWLEDGE—

(A) IN GENERAL—The term “knowledge” means

(i) With respect to a covered entity that is a covered high-impact social media company, the entity knew or should have known the individual was a covered minor;

(ii) With respect to a covered entity or service provider that is a large data holder, and otherwise is not a covered high-impact social media company, that the covered entity knew or acted in willful disregard of the fact that the individual was a covered minor; and

(iii) With respect to a covered entity or service provider that does not meet the requirements of clause (i) or (ii), actual knowledge.

(B) COVERED HIGH IMPACT SOCIAL MEDIA COMPANY—For purposes of this paragraph, the term “covered high impact social media company” means a covered entity that provides any internet-accessible platform where

(i) Such covered entity generates $3,000,000,000 or more in annual revenue;

(ii) Such platform has 300,000,000 or more monthly active users for not fewer than 3 of the preceding 12 months on the online product or service of such covered entity; and

(iii) Such platform constitutes an online product or service that is primarily used by users to access or share, user-generated content.
(A) IN GENERAL—The term “large data holder” means a covered entity or service provider that, in the most recent calendar year—

(i) had annual gross revenues of $250,000,000 or more; and

(ii) collected, processed, or transferred—

(I) the covered data of more than 5,000,000 individuals or devices that identify or are linked or reasonably linkable to 1 or more individuals, excluding covered data collected and processed solely for the purpose of initiating, rendering, billing for, finalizing, completing, or otherwise collecting payment for a requested product or service; and

(II) the sensitive covered data of more than 200,000 individuals or devices that identify or are linked or reasonably linkable to 1 or more individuals.

(B) EXCLUSIONS. The term “large data holder” does not include any instance in which the covered entity or service provider would qualify as a large data holder solely on the basis of collecting, or processing—

(i) personal email addresses;

(ii) personal telephone numbers; or

(iii) log-in information of an individual or device to allow the individual or device to log in to an account administered by the covered entity or service provider.

(C) REVENUE.-- For purposes of determining whether any covered entity or service provider is a large data holder, the term “revenue,” with respect as it relates to any covered entity or service provider that is not organized to carry on business for its own profit or that of its members—

(i) means the gross receipts the covered entity or service provider received, in whatever form, from all sources, without subtracting any costs or expenses; and

(ii) includes contributions, gifts, grants, dues or other assessments, income from investments, and proceeds from the sale of real or personal property.

(2) MARKET RESEARCH. — The term “market research” means the collection, processing, or transfer of covered data as reasonably necessary and proportionate to investigate the market for or marketing of products, services, or ideas, where the covered data is not—

(A) integrated into any product or service;  

(B) otherwise used to contact any individual or individual’s device; or 

(C) used to advertise or market to any individual or individual’s device.

(MATERIAL.—The term “material” means, with respect to an act, practice, or representation of a covered entity (including a representation made by the covered entity in a privacy policy or similar disclosure to individuals) involving the collection, processing, or transfer of covered data, that such act, practice, or representation is likely to affect an individual’s decision or conduct regarding a product or service.

(4) PRECISE GEOLOCATION INFORMATION.—

(A) IN GENERAL.—The term “precise geolocation information” means information that is derived from a device or technology that reveals the past or present physical location of an individual, or device that identifies or is linked or reasonably linkable to 1 or more individuals, with sufficient precision to identify
street level location information of an individual’s location or device or the location of an individual or device within a range of 1,850 1,000 feet or less.

(B) EXCLUSION.—The term “precise geolocation information” does not include mean geolocation information identifiable or derived solely from the visual content of a legally obtained image, including the location of the device that captured such image.

(25) PROCESS.—The term “process” means to conduct or direct any operation or set of operations performed on covered data, including analyzing, organizing, structuring, retaining, storing, using, or otherwise handling covered data.

(26) PROCESSING PURPOSE.—The term “processing purpose” means a reason for which a covered entity or service provider collects, processes, or transfers covered data that is specific and granular enough for a reasonable individual to understand the material facts of how and why the covered entity or service provider collects, processes, or transfers the covered data.

(27) PUBLICLY AVAILABLE INFORMATION.—

(A) IN GENERAL.—The term “publicly available information” means any information that a covered entity or service provider has a reasonable basis to believe has been lawfully made available to the general public from—

(i) Federal, State, or local government records, if provided that the covered entity collects, processes, and transfers such information in accordance with any restrictions or terms of use placed on the information by the relevant government entity;
(ii) widely distributed media;
(iii) a website or online service made available to all members of the public, for free or for a fee, including where all members of the public can log-in to the website or online service;
(iv) a disclosure that has been made to the general public as required by Federal, State, or local law; or
(v) the visual observation of the individual’s physical presence of an individual or a device in a public place by another person, not including data collected by a device in the individual’s possession.

(B) CLARIFICATIONS; LIMITATIONS.—

(i) AVAILABLE TO ALL MEMBERS OF THE PUBLIC.—For purposes of this paragraph, information from a website or online service is not available to all members of the public if the individual who made the information available via the website or online service has restricted the information to a specific audience.

(ii) OTHER LIMITATIONS.—The term “publicly available information” does not include—

(I) any obscene visual depiction (as defined in section 1460 of title 18, United States Code);
(II) any inferences made exclusively from multiple independent sources of publicly available information that do not reveal sensitive covered data with respect to an individual;
(III) biometric information;
(IV) publicly available information that has been combined with covered data; or
(V) genetic information, unless otherwise made available by the individual to whom the information pertains as described in clause (ii) or (iii) of subparagraph (A); or
(VI) known nonconsensual intimate images known to be nonconsensual.
(28) (24) SENSITIVE COVERED DATA.—
(A) IN GENERAL.—The term “sensitive covered data” means the following types forms of covered data:
(i) A government-issued identifier, such as a social security number, passport number, or driver’s license number, that is not required by law to be displayed in public.
(ii) Any information that describes or reveals the past, present, or future physical health, mental health, disability, diagnosis, or healthcare condition or treatment of an individual.
(iii) A financial account number, debit card number, credit card number, or information about that describes or reveals the income level or bank account balances of an individual, except that the last four digits of a digit or credit card number shall not be deemed sensitive covered data.
(iv) Biometric information.
(v) Genetic information.
(vi) Precise geolocation information.
(vii) An individual’s private communications, such as voicemails, emails, texts, direct messages, or mail, or information identifying the parties to such communications, voice communications, video communications, and any information that pertains to the transmission of such communications, including telephone numbers called, telephone numbers from which calls were placed, the time calls were made, call duration, and location information of the parties to the call, unless the covered entity or a service provider acting on behalf of the covered entity is the sender or an intended recipient of the communication. Communications are not private for purposes of this clause paragraph if such communications are made from or to a device provided by an employer to an employee insofar as such employer provides conspicuous notice that such employer may access such communications.
(viii) Account or device log-in credentials, or security or access codes for an account or device.
(ix) Information identifying the sexual orientation or sexual behavior of an individual in a manner inconsistent with the individual’s reasonable expectation regarding the collection, processing, or transfer disclosure of such information.
(x) Calendar information, address book information, phone or text logs, photos, audio recordings, or videos, maintained for private use by an individual, regardless of whether such information is stored on the individual’s device or is accessible from that device and is backed up in a separate location. Such information is not sensitive for purposes of this paragraph if such information is sent from or to a device provided by an employer to an employee insofar as such employer provides conspicuous notice that it may access such information, in a separate location on an individual’s device, regardless of whether such information is backed up in a separate location.
(xi) A photograph, film, video recording, or other similar medium that shows the naked or undergarment-clad private area of an individual.
(xii) Information that reveals the video content or services requested or selected by an individual collected by a covered entity that is not a provider of a service described in section 102(4). This clause does not include covered data used solely for transfers for independent video measurement, from a provider of broadcast television service, cable service, satellite service or streaming media service.
(xiii) Information about an individual when the covered entity or service provider has knowledge knows that the individual is a covered minor under the age of 17.
(xiv) An individual’s race, color, ethnicity, religion, or union membership.
(xv) Information identifying an individual’s online activities over time and across third party websites or online services.
(xvi) Any other covered data collected, processed, or transferred for the purpose of identifying the types of covered data listed in clauses (i) through (xv), above data types.
(B) RULEMAKING.—The Commission may commence a rulemaking pursuant to section 553 of title 5, United States Code, to include in the definition of "sensitive covered data" any other type additional category of covered data under this definition that may require a similar level of protection as the types of covered data listed in clauses (i) through (xvi) of subparagraph (A) as a result of any new method of collecting, processing, or transferring covered data.

(29) SERVICE PROVIDER.—

(A) IN GENERAL.—The term "service provider" means a person or entity that—
(i) collects, processes, or transfers covered data on behalf of, and at the direction of, a covered entity, or a Federal, State, Tribal, territorial, or local government entity; and
(ii) which receives covered data from or on behalf of a covered entity or a Federal, State, Tribal, territorial, or local government entity pursuant to a written contract, provided that the contract meets the requirements of section 302.

(B) TREATMENT WITH RESPECT TO SERVICE PROVIDER DATA—A service provider that receives service provider data from another service provider as permitted under this Act shall be treated as a service provider under this Act with respect to such data.

(30) SERVICE PROVIDER DATA.—The term "service provider data" means covered data that is collected or processed by or has been transferred to a service provider by or on behalf of a covered entity, a Federal, State, Tribal, territorial, or local government entity, or another service provider for the purpose of allowing the service provider to whom such covered data is transferred to perform a service or function on behalf of, and at the direction of, such covered entity or Federal, State, Tribal, territorial, or local government entity.

(31) STATE.—The term "State" means any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands of the United States, Guam, American Samoa, or the Commonwealth of the Northern Mariana Islands, or the Trust Territory of the Pacific Islands.

(32) STATE PRIVACY AUTHORITY.—

(A) IN GENERAL.—The term "State Privacy Authority" means—
(i) the chief consumer protection officer of a State; or
(ii) a State consumer protection agency with expertise in data protection, including the California Privacy Protection Agency.

(33) SUBSTANTIAL PRIVACY RISK.—The term "substantial privacy risk" means the collection, processing, or transfer of covered data in a manner that may result in any reasonably foreseeable substantial material physical injury, economic injury, highly offensive intrusion into the reasonable privacy expectations of an reasonable individual under the circumstances, or discrimination on the basis of race, color, religion, national origin, sex, or disability.

(34) TARGETED ADVERTISING.—The term "targeted advertising"—

(A) means presenting displaying to an individual or device identified by a unique identifier, or groups of individuals or devices identified by unique identifiers, an online advertisement or content that is selected based on known or predicted preferences, characteristics, or interests associated with the individual or a device identified by a unique identifier; and
(B) does not include—
(i) advertising or marketing to an individual or an individual's device in response to the individual’s specific request for information or feedback;
(iii) contextual advertising, which is when an advertisement is displayed based on the content or location in which the advertisement appears and does not vary based on who is viewing the advertisement; or
(iv) processing covered data solely for measuring or reporting advertising or content, performance, reach, or frequency, including independent measurement.

(35) (31) THIRD PARTY.—The term “third party”—
(A) means any person or entity, including a covered entity, that—
(i) collects, processes, or transfers covered data that the person or entity did not collect directly from the individual linked or linkable to such covered data third-party-data; and
(ii) is not a service provider with respect to such data; and
(B) does not include a person or entity that collects covered data from another entity if the 2 entities are related by common ownership or corporate control, but only if a reasonable consumer’s reasonable expectation would be that such entities share information, and share common branding, unless one of those is a large data holder or those entities are each related to a large data holder through common ownership or corporate control.

(36) (32) THIRD-PARTY COLLECTING ENTITY.—
(A) IN GENERAL.—The term “third-party collecting entity”—
(i) means a covered entity whose principal source of revenue is derived from processing or transferring the covered data that the covered entity did not collect directly from the individuals linked or linkable to the covered data; and
(ii) does not include a covered entity insofar as such entity processes employee data collected by and received from a third party concerning any individual who is an employee of the third party for the sole purpose of such third party providing benefits to the employee.

(B) PRINCIPAL SOURCE OF REVENUE DEFINED.—For purposes of this paragraph, the term “principal source of revenue” means, for the prior 12-month period, either—
(i) more than 50 percent of all revenue of the covered entity; or
(ii) obtaining revenue from processing or transferring the covered data of more than 5,000,000 individuals that the covered entity did not collect directly from the individuals linked or linkable to the covered data to which the covered data pertains.

(C) NON-APPLICATION TO SERVICE PROVIDERS.—An entity may not be considered to be a third-party collecting entity for purposes of this Act if the covered entity is acting as a service provider (as defined in this section).

(37)(33) THIRD PARTY DATA.—The term “third party data” means covered data that has been transferred to a third party by a covered entity.

(38) (34) TRANSFER.—The term “transfer” means to disclose, release, share, disseminate, make available, or license, rent, or share covered data orally in writing, electronically, or by any other means.

(39) (35) UNIQUE PERSISTENT IDENTIFIER.—The term "unique identifier"—
(A) Means an identifier to the extent that such identifier is reasonably linkable to an individual or device that identifies or is linked or reasonably linkable to 1 or more individuals, including a device identifier, an Internet Protocol address, cookies, beacons, pixel tags, mobile ad identifiers, or similar technology, customer number, unique pseudonym, or user alias, telephone numbers, or other form of persistent or probabilistic identifier that is linked or reasonably linkable to an individual or device; and
(B) does not include an identifier assigned by a covered entity for the specific purpose of giving effect to an individual’s exercise of affirmative express consent or opt-outs of the collection, processing, and transfer of covered data pursuant to section 204 or otherwise limiting the collection, processing, or transfer of such information.

(40) (36) WIDELY DISTRIBUTED MEDIA.—The term “widely distributed media” means information that is available to the general public, including information from a telephone book or online directory, a television, internet, or radio program, the news media, or an internet site that is available to the general public on an unrestricted basis, but does not include an obscene visual depiction (as defined in section 1460 of title 18, United States Code).

TITLE I—DUTY OF LOYALTY

SEC. 101. DATA MINIMIZATION.
(a) IN GENERAL.—A covered entity shall not collect, process, or transfer covered data unless the collection, processing, or transfer is limited to what is reasonably necessary and proportionate to—

(1) provide, or maintain a specific product or service requested by the individual to whom the data pertains; or

(2) deliver a communication that is reasonably anticipated by the individual recipient within the context of the individual’s interactions with the covered entity; or

(3) effect a purpose expressly permitted under subsection (b).

(b) PERMISSIBLE PURPOSES.—A covered entity or service provider may collect, process, or transfer covered data for any of the following purposes provided the covered entity or service provider can demonstrate that collection, processing, or transfer complies with all other applicable laws not preempted in section 404 and provisions of this Act and if the collection, processing, or transfer is limited to what is reasonably necessary and proportionate to such purpose:

(1) To initiate, manage, or complete a transaction or fulfill an order for specific products or services requested by an individual, including any associated routine administrative, operational, and account-servicing activity such as billing, shipping, delivery, storage, and accounting, including the collection, processing or transfer of the last four digits of a credit card number.

(2) With respect to covered data previously collected in accordance with this Act, notwithstanding this exception—

(A) to process such data as necessary to perform system maintenance or diagnostics;
(B) to develop, maintain, repair, or enhance a product or service for which such data was collected;
(C) to conduct internal research or analysis to improve a product or service for which such data was collected;
(D) to perform inventory management or reasonable network management;
(6) to protect against spam; or
(7) to debug or repair errors that impair the functionality of a service or product for which such data was collected.

(3) To authenticate users of a product or service.

(4) To fulfill a product or service warranty.

(4)(5) To prevent, detect, protect against, or respond to a security incident, or fulfill a product or service warranty. For purposes of this paragraph, security is defined as network security as well as intrusion, and physical security and life safety, including an intrusion or trespass, medical alerts, fire alarms, and access control security.

(5)(6) To prevent, detect, protect against or respond to fraud, harassment, or illegal activity. For the purposes of this paragraph, the term “illegal activity” means a violation of a Federal, State, or local law punishable as a felony or misdemeanor that can directly harm another person.

(6)(7) To comply with a legal obligation imposed by Federal, Tribal, local, or State law, or to investigate, establish, prepare for, exercise, or defend legal claims involving the covered entity or service provider.

(7)(8) To prevent an individual, or groups of individuals, from suffering harm where the covered entity or service provider believes in good faith that the individual, or groups of individuals, is at risk of death, serious physical injury, or other serious health risk.

(8)(9) To effectuate a product recall pursuant to Federal or State law.

Amendment to the Amendment in the Nature of a Substitute (H8152_FC_AMDT_02), filed by Rep. Trahan (D-MA) and Rep. Bucshon (R-IN) to H.R. 8152 [PDF]

(9)(10) (A) To conduct a public or peer-reviewed scientific, historical, or statistical research project that—
(i) is in the public interest; and
(ii) adheres to all relevant laws and regulations governing such research; and
(iii) adheres to the regulations for human subject research established under part 46 of title 45, Code of Federal Regulations (or a successor regulations), including regulations for the protection of human subjects, or is excluded from criteria of the institutional review board.

(B) The Commission should set forth within 18 months of the enactment of this Act, Not later than 18 months after the date of enactment of this Act, the Commission should issue guidelines to help covered entities ensure the privacy of affected users and the security of covered data, particularly as data is being transferred to and stored by researchers. Such guidelines should consider risks as they pertain to projects using covered data with special considerations for projects that are exempt under part 46 of title 45, Code of Federal Regulations (or any successor regulation) or are excluded from the criteria for institutional review board review.
(11) To deliver a communication that is not an advertisement to an individual, if the communication is reasonably anticipated by the individual within the context of the individual’s interactions with the covered entity.

(10)(12) To deliver a communication at the direction of an individual between the communicating individual and one or more individuals or entities.

(13) To transfer assets to a third party in the context of a merger, acquisition, bankruptcy, or similar transaction when the third party assumes control, in whole or in part, of the covered entity’s assets, only if the covered entity, in a reasonable time prior to such transfer, provides each affected individual with—
   (A) a notice describing such transfer, including the name of the entity or entities receiving the individual’s covered data and their privacy policies as described in section 202; and
   (B) a reasonable opportunity to withdraw any previously given consents in accordance with the requirements of affirmative express consent under this Act related to the individual’s covered data and a reasonable opportunity to request the deletion of the individual’s covered data, as described in section 203.

(14) To ensure the data security and integrity of covered data, as described in section 208.

(15) With respect to covered data previously collected in accordance with this Act, a service provider acting at the direction of a government entity, or a service provided to a government entity by a covered entity, and only insofar as authorized by statute, to prevent, detect, protect against or respond to a public safety incident, including trespass, natural disaster, or national security incident. This paragraph does not permit, however, the transfer of covered data for payment or other valuable consideration to a government entity.

(11)(16) With respect to covered data previously collected in accordance with this Act, notwithstanding this exception, to process such data as necessary to provide first party advertising or marketing or advertising of products or services provided by the covered entity for individuals who are not-covered minors.

(12)(17) With respect to covered data previously collected in accordance with this Act, notwithstanding this exception and provided such collection, processing, and transferring otherwise complies with the requirements of this Act, including section 204(c), to provide targeted advertising.

(c) GUIDANCE.—The Commission shall issue guidance regarding what is reasonably necessary and proportionate to comply with this section. Such guidance shall take into consideration—
   (1) the size of, and the nature, scope, and complexity of the activities engaged in by the covered entity, including whether the covered entity is a large data holder, nonprofit organization, covered entity meeting the requirements of section 209, service provider, third party, or third-party collecting entity;
   (2) the sensitivity of covered data collected, processed, or transferred by the covered entity;
   (3) the volume of covered data collected, processed, or transferred by the covered entity; and
   (4) the number of individuals and devices to which the covered data collected, processed, or transferred by the covered entity relates.

(d) DECEPTIVE MARKETING OF A PRODUCT OR SERVICE.—A covered entity, or service provider, or third party is prohibited from engaging in may not engage in deceptive advertising or marketing with respect to a product or service provided offered to an individual.
(e) JOURNALISM.—Nothing in this Act shall be construed to limit or diminish First Amendment freedoms guaranteed under the Constitution.

(7) A general description of the covered entity’s or service provider’s data security practices.
(8) The effective date of the privacy policy.
(9) Whether or not any covered data collected by the covered entity or service provider is transferred to, processed in, stored in, or otherwise accessible to the People’s Republic of China, Russia, Iran, or North Korea.

(c) LANGUAGES.—The privacy policy required under subsection (a) shall be made available to the public in each covered language in which the covered entity or service provider—
(1) provides a product or service that is subject to the privacy policy; or
(2) carries out activities related to such product or service.

(d) ACCESSIBILITY.—The covered entity or service provider shall also provide the disclosures under this section in a manner that is readily accessible to and usable by individuals with disabilities.

(e) MATERIAL CHANGES.—
(1) AFFIRMATIVE EXPRESS CONSENT.—If a covered entity makes a material change to its privacy policy or practices, the covered entity shall notify each individual affected by such material change before implementing the material change with respect to any previously collected covered data and, except as provided in paragraphs (1) through (15) of section 101(b), provide a reasonable opportunity for each individual to withdraw consent to any further materially different collection, processing, or transferring of previously collected covered data under the changed policy.
(2) NOTIFICATION.—The covered entity shall take all reasonable electronic measures to provide direct notification regarding material changes to the privacy policy to each affected individual, in each covered language that in which the privacy policy is made available, and taking into account available technology and the nature of the relationship.
(3) CLARIFICATION.—Nothing in this section shall may be construed to affect the requirements for covered entities under section 102 or 204.
(4) LOG OF MATERIAL CHANGES.— Each large data holder shall retain copies of previous versions of its privacy policy for at least 10 years beginning after the date of enactment of this Act and publish them on its website. It shall make publicly available, in a clear, conspicuous, and readily accessible manner, a log describing the data date and nature of each material change to its privacy policy over the past 10 years. The descriptions shall be sufficient for a reasonable individual to understand the material effect of each material change. The obligations in this paragraph shall not apply to any previous versions of a large data holder’s privacy policy, or any material changes to such policy, that precede the date of enactment of this Act.

(f) SHORT-FORM NOTICE TO CONSUMERS BY LARGE DATA HOLDERS.—
(1) IN GENERAL.—In addition to the privacy policy required under subsection (a), a large data holder must that is a covered entity shall provide a short-form notice of its covered data practices in a manner that is—
(A) concise, clear, and conspicuous, and not misleading;
(B) readily accessible to the individual, based on the way an individual interacts with the large data holder and its products or services and what is reasonably anticipated within the context of the relationship between the individual and the large data holder;
(C) inclusive of an overview of individual rights and disclosures to reasonably draw attention to data practices that may reasonably be unexpected to a reasonable person or that involve sensitive covered data; and
(D) no more than 500 words in length.

(2) RULEMAKING.—The Commission shall issue a rule pursuant to section 553 of title 5, United States Code, establishing the minimum data disclosures necessary for the short-form notice required under paragraph (1), which shall not exceed the content requirements in subsection (b) and shall include templates and/or models of short-form notices.

SEC. 203. INDIVIDUAL DATA OWNERSHIP AND CONTROL.

(a) ACCESS TO, AND CORRECTION, DELETION, AND PORTABILITY OF, COVERED DATA.—Subject to In accordance with subsections (b) and (c), a covered entity shall provide an individual, after receiving a verified request from the individual, with the right to—

(1) access—
(A) the covered data, except covered data in back-up or archival systems, of the individual in a human-readable format that a reasonable individual can understand and download from the Internet, the covered data (except covered data in back-up or archival systems) of the individual making the request that is collected, processed or transferred by the covered entity or any service provider of the covered entity within the 24 months preceding the request;
(B) the name categories of any third party, if applicable, and an option for consumers to obtain the names of any such third party as well as and the categories of any service providers to whom the covered entity has transferred for consideration the covered data of the individual, as well as the categories of sources from which the covered data was collected; and
(C) a description of the purpose for which the covered entity transferred the covered data of the individual to a third party or service provider;

(2) correct any verifiably material verifiable substantial inaccuracy or materially substantially incomplete information with respect to the covered data of the individual that is processed by the covered entity and instruct the covered entity to make reasonable efforts to notify any all third parties, or service providers to which the covered entity transferred such covered data of the corrected information;

(3) delete covered data of the individual that is processed by the covered entity and instruct the covered entity and instruct the covered entity to make reasonable efforts to notify any all third parties, or service provider to which the covered entity transferred such covered data of the individual’s deletion request; and

(4) to the extent technically feasible, export to the individual or directly to another entity the covered data to of the individual or directly to another entity, except for derived data, of the individual that is processed by the covered entity, including inferences linked or reasonably linkable to the individual but not including other derived data, without licensing restrictions that limit such transfers, in—
(A) a human-readable format that a reasonable individual can understand and download from the Internet; and
(B) a portable, structured, interoperable, and machine-readable format.
(b) INDIVIDUAL AUTONOMY.—A covered entity shall may not condition, effectively condition, attempt to condition, or attempt to effectively condition the exercise of any individual rights under this section through right described in subsection (a) through—

(1) through the use of any false, fictitious, fraudulent, or materially misleading statement or representation; or (2) the design, modification, or manipulation of any user interface with the purpose or substantial effect of obscuring, subverting, or impairing a reasonable individual’s autonomy, decision making, or choice to exercise any such rights.

(c) TIMING.—

(1) IN GENERAL.—Subject to subsections (d) and (e)(1), each request shall be completed by any—

(A) large data holder within 45 days of verification of such request from an individual, unless it is demonstrably impracticable or impracticably costly to verify such individual;

(B) covered entity that is not considered a large data holder or a covered entity described in meeting the requirements of section 209 within 60 days of verification of such request from an individual, unless it is demonstrably impracticable or impracticably costly to verify such individual; or

(C) covered entity as described in meeting the requirements of section 209 within 90 days of verification of such request from an individual, unless it is demonstrably impracticable or impracticably costly to verify such individual.

(2) EXTENSION.—A response period set forth in this subsection may be extended once by 45 additional days when reasonably necessary, considering the complexity and number of the individual’s requests, so long as the covered entity informs the individual of any such extension within the initial 45-day response period, together with the reason for the extension.

(d) FREQUENCY AND COST OF ACCESS.—A covered entity—

(1) shall provide an individual with the opportunity to exercise each of the rights described in subsection (a); and

(2) with respect to—

(A) the first 2 times that an individual exercises any right described in subsection (a) in any 12-month period, shall allow the individual to exercise such right free of charge; and

(B) any time beyond the initial 2 times described in subparagraph (A), may allow the individual to exercise such right for a reasonable fee for each request.

(e) VERIFICATION AND EXCEPTIONS.—

(1) REQUIRED EXCEPTIONS.—A covered entity shall not permit an individual to exercise a right described in subsection (a), in whole or in part, if the covered entity—

(A) cannot reasonably verify that the individual making the request to exercise the right is the individual whose covered data is the subject of the request or an individual authorized to make such a request on the individual’s behalf;

(B) reasonably believes that the request is made to interfere with a contract between the covered entity and another individual.

(C) determines that the exercise of the right would require access to or correction of another individual’s sensitive covered data; or

(D) reasonably believes that the exercise of the right would require the covered entity to engage in an unfair or deceptive practice under section 5 of the Federal Trade Commission Act (15 U.S.C. 45); or
(E) reasonably believes that the request is made to further fraud, support criminal activity, or the exercise of the right presents a data security threat.

(2) ADDITIONAL INFORMATION.—If a covered entity cannot reasonably verify that a request to exercise a right described in subsection (a) is made by the individual whose covered data is the subject of the request (or an individual authorized to make such a request on the individual’s behalf), the covered entity—

(A) may request that the individual making the request to exercise the right provide any additional information necessary for the sole purpose of verifying the identity of the individual; and

(B) shall not process or transfer such additional information for any other purpose.

(3) PERMISSIVE EXCEPTIONS.—

(A) IN GENERAL.—A covered entity may decline, with adequate explanation to the individual, to comply with a request to exercise a right described in subsection (a), in whole or in part, that would—

(i) require the covered entity to retain any covered data collected for a single, one-time transaction, if such covered data is not processed or transferred by the covered entity for any purpose other than completing such transaction;
(ii) be impossible or demonstrably impracticable or prohibitively costly to comply with, and the covered entity shall provide a description to the requestor detailing the inability to comply with the request;
(iii) require the covered entity to attempt to re-identify de-identified data;
(iv) require the covered entity to maintain covered data in an identifiable form or collect, retain, or access any data in order to be capable of associating a verified individual request with covered data of such individual;
(v) result in the release of trade secrets, or other privileged, or confidential business information;
(vi) require the covered entity to correct any covered data that cannot be reasonably verified as being inaccurate or incomplete;
(vii) interfere with law enforcement, judicial proceedings, investigations, or reasonable efforts to guard against, detect, prevent, or investigate fraudulent, malicious or unlawful activity, or enforce valid contracts;
(viii) violate Federal or State law or the rights and freedoms of another individual, including under the Constitution of the United States;
(ix) prevent a covered entity from being able to maintain a confidential record of deletion requests, maintained solely for the purpose of preventing covered data of an individual who has from being recollected after the individual submitted a deletion request and requested that the covered entity no longer collect, process, or transfer such data;
(x) fall within an exception enumerated in the regulations promulgated by the Commission pursuant to paragraph (D); or

(I) unreasonably interfere with the provision of products or services by the covered entity to another person it currently serves;
(II) delete covered data that relates to a public figure and for which the requesting individual has no reasonable expectation of privacy;
(III) delete covered data reasonably necessary to perform a contract between the covered entity and the individual;
(IV) delete covered data that the covered entity needs to retain in order to comply with professional ethical obligations; or
(V) delete covered data that the covered entity reasonably believes may be evidence of unlawful activity or an abuse of the covered entity's products or services; or

(VI) for private elementary and secondary schools as defined by State law and private institutions of higher education defined by title I of the Higher Education Act of 1965, delete covered data that would unreasonably interfere with the provision of education services by or the ordinary operation of the school or institution.

(B) PARTIAL COMPLIANCE.—In a circumstance that would allow a denial pursuant to paragraph (A), a covered entity shall partially comply with the remainder of the request if it is possible and not unduly burdensome to do so.

(C) NUMBER OF REQUESTS.—For purposes of this subparagraph (A)(ii), the receipt of a large number of verified requests, on its own, shall not be considered to render compliance with a request demonstrably impossible/impracticable.

(D) FURTHER EXCEPTIONS.—The Commission may, by regulation as described in subsection (f), establish additional permissive exceptions necessary to protect the rights of individuals, alleviate undue burdens on covered entities, prevent unjust or unreasonable outcomes from the exercise of access, correction, deletion, or portability rights, or as otherwise necessary to fulfill the purposes of this section. In creating establishing such exceptions, the Commission should consider any relevant changes in technology, means for protecting privacy and other rights, and beneficial uses of covered data by covered entities.

(f) LARGE DATA HOLDER METRICS REPORTING.—A large data holder that is a covered entity shall, for each calendar year in which it was a large data holder, do the following:

(1) Compile the following metrics for the prior calendar year:
   (A) The number of verified access requests under subsection (a)(1).
   (B) The number of verified deletion requests under subsection (a)(3).
   (C) The number of requests to opt-out of covered data transfers under section 204(b).
   (D) The number of requests to opt-out of targeted advertising under section 204(c).
   (E) The number of requests in each of subparagraphs (A) through (D) that such large data holder
      (i) complied with in whole or in part and (ii) denied.
   (F) The median or mean number of days within which such large data holder substantively
      responded to the requests in each of subparagraphs (A) through (D).

(2) Disclose by July 1 of each applicable calendar year the information compiled in paragraph (1) within such large data holder’s privacy policy required under section 202 or on the publicly accessible website of such large data holder that is accessible from a hyperlink included in the privacy policy.

(fg) REGULATIONS.—Within two years of after the date of enactment of this Act, the Commission shall promulgate regulations, pursuant to section 553 of title 5, United States Code (5 U.S.C. 553), as necessary to establish processes by which covered entities are to comply with the provisions of this section. Such regulations shall take into consideration—

(1) the size of, and the nature, scope, and complexity of the activities engaged in by the covered entity, including whether the covered entity is a large data holder, nonprofit organization, covered entities entity meeting the requirements of section 209, service-provider, third party, or third-party collecting entity;
(2) the sensitivity of covered data collected, processed, or transferred by the covered entity;
(3) the volume of covered data collected, processed, or transferred by the covered entity; and
(4) the number of individuals and devices to which the covered data collected, processed, or transferred by the covered entity relates; and

(5) after consulting the National Institute of Standards and Technology, standards for ensuring the deletion of covered data under this Act where appropriate.

(qh) ACCESSIBILITY.—A covered entity shall facilitate the ability for individuals to make requests under this subsection (a) in any of the ten covered languages with the most users in the United States, according to the most recent U.S. Census, in which the covered entity provides a product or service in such language. The mechanisms by which a covered entity enables individuals to make requests under this subsection (a) shall be readily accessible and usable by individuals with disabilities.

SEC. 204. RIGHT TO CONSENT AND OBJECT.

(a) WITHDRAWAL OF CONSENT.—A covered entity shall provide an individual with a clear and conspicuous, easy-to-execute means to withdraw any affirmative express consent previously provided by the individual that is as easy to execute by a reasonable individual as the means to provide consent, with respect to the processing or transfer of the covered data of the individual.

(b) RIGHT TO OPT OUT OF COVERED DATA TRANSFERS.—

(1) IN GENERAL.—A covered entity—

(A) shall may not transfer or direct the transfer of the covered data of an individual to a third party if the individual objects to the transfer; and

(B) shall allow an individual to object to such a transfer through an opt-out mechanism, as described in section 210, if applicable.

(2) EXCEPTION.—An individual may not opt out of the collection, processing, and transfer of covered data made pursuant to the exceptions in section 101(b)(1) through (11) of this Act. Except as provided in section 206(b)(3)(C), a covered entity need not allow an individual to opt out of the collection, processing, or transfer of covered data made pursuant to the exceptions in paragraphs (1) through (15) of section 101(b).

(c) RIGHT TO OPT OUT OF TARGETED ADVERTISING.—A covered entity that engages in targeted advertising shall—

(1) prior to engaging in such targeted advertising and at all times thereafter, provide an individual with a clear and conspicuous means to opt out of targeted advertising; A covered entity or service provider that directly delivers a targeted advertisement shall—

(A) prior to engaging in targeted advertising to an individual or device and at all times thereafter, provide such individual with a clear and conspicuous means to opt out of targeted advertising;

(B) abide by any opt-out designation by an individual with respect to targeted advertising and notify the covered entity that directed the service provider to deliver the targeted advertisement of the opt-out decision; and

(C) allow an individual to make an opt-out designation with respect to targeted advertising through an opt-out mechanism, as described in section 210.

(2) abide by such opt-out designations by an individual; and A covered entity or service provider that receives an opt-out notification pursuant to paragraph (1)(B) or this paragraph shall abide by such opt-out
designations by an individual and notify any other person that directed the covered entity or service provider to serve, deliver, or otherwise handle the advertisement of the opt-out decision. 

(3) allow an individual to prohibit such targeted advertising through an opt-out mechanism, as described in section 210 if applicable.

(d) INDIVIDUAL AUTONOMY.—A covered entity shall not condition, effectively condition, attempt to condition, or attempt to effectively condition the exercise of any individual right under this section through—

(1) through the use of any false, fictitious, fraudulent, or materially misleading statement or representation; or

(2) the design, modification, or manipulation of any user interface with the purpose or substantial effect of obscuring, subverting, or impairing a reasonable individual’s autonomy, decision making, or choice to exercise any such rights.

SEC. 205. DATA PROTECTIONS FOR CHILDREN AND MINORS.

(a) PROHIBITION ON TARGETED ADVERTISING TO CHILDREN AND MINORS.—A covered entity may not engage in targeted advertising to any individual under the age of 17 if the covered entity has knowledge that the individual is a covered minor.

(b) DATA TRANSFER REQUIREMENTS RELATED TO MINORS.—

(1) IN GENERAL - A covered entity may not transfer or direct the transfer of the covered data of a covered minor to a third party without affirmative express consent from the individual or the individual’s parent or guardian if the covered entity knows that the individual under the age of 17 is under the age of 17. If the covered entity—

(A) has knowledge that the individual is a covered minor; and

(B) has not obtained affirmative express consent from the covered minor or the covered minor’s parent or guardian.

(2) EXCEPTION.—A covered entity or service provider may collect, process, or transfer covered data of an individual the covered entity or service provider knows is under the age of 18 solely in order to submit information relating to child victimization to law enforcement or to the nonprofit, national resource center and clearinghouse congressionally designated to provide assistance to victims, families, child-serving professionals, and the general public on missing and exploited children issues.

(c) KNOWLEDGE.—The knowledge requirement in paragraphs (a) and (b), shall not be construed to require the affirmative collection or processing of any data with respect to the age of an individual or a proxy thereof, or to require that a covered entity implement an age gating regime. Rather, the determination of whether an individual is under 17 shall be based on the covered data collected directly from an individual or a proxy thereof that the covered entity would otherwise collect in the normal course of business.

(d) YOUTH PRIVACY AND MARKETING DIVISION.—

(1) ESTABLISHMENT.—There is established within the Commission in the privacy bureau established in this Act, a division to be known as the “Youth Privacy and Marketing Division” (in this section referred to as the “Division”).

(2) DIRECTOR.—The Division shall be headed by a Director, who shall be appointed by the Chair of the Commission.
(3) DUTIES.—The Division shall be responsible for assisting the Commission in addressing, as it relates to this Act—
   (A) the privacy of children and minors; and
   (B) marketing directed at children and minors.
(4) STAFF.—The Director of the Division shall hire adequate staff to carry out the duties described in paragraph (3), including by hiring individuals who are experts in data protection, digital advertising, data analytics, and youth development.
(5) REPORTS.—Not later than 1 year after the date of enactment of this Act, and annually thereafter, the Commission shall submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Energy and Commerce of the House of Representatives a report that includes—
   (A) a description of the work of the Division regarding emerging concerns relating to youth privacy and marketing practices; and
   (B) an assessment of how effectively the Division has, during the period for which the report is submitted, assisted the Commission to address youth privacy and marketing practices.
(6) PUBLICATION.—Not later than 10 days after the date on which a report is submitted under paragraph (5), the Commission shall publish the report on its website.

(e) REPORT BY THE INSPECTOR GENERAL.—
   (1) IN GENERAL.—Not later than 2 years after the date of enactment of this Act, and biennially thereafter, the Inspector General of the Commission shall submit to the Commission and to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Energy and Commerce of the House of Representatives a report regarding the safe harbor provisions in section [1304 1307] of the Children’s Online Privacy Protection Act of 1998 (15 U.S.C. 6503), which shall include—
      (A) an analysis of whether the safe harbor provisions are—
         (i) operating fairly and effectively; and
         (ii) effectively protecting the interests of children and minors; and
      (B) any proposal or recommendation for policy changes that would improve the effectiveness of the safe harbor provisions.
   (2) PUBLICATION.—Not later than 10 days after the date on which a report is submitted under paragraph (1), the Commission shall publish the report on the website of the Commission.

SEC. 206. THIRD-PARTY COLLECTING ENTITIES.

(a) NOTICE.—Each third-party collecting entity shall place a clear, and conspicuous, not misleading, and readily accessible notice on the website or mobile application of the third-party collecting entity (if the third-party collecting entity maintains such a website or mobile application) that—
   (1) notifies individuals that the entity is a third-party collecting entity using specific language that the Commission shall develop through rulemaking under section 553 of title 5, United States Code; and
   (2) includes a link to the website established under subsection (e)(3). (3) is reasonably accessible to and usable by individuals with disabilities.

(b) THIRD-PARTY COLLECTING ENTITY REGISTRATION .—
   (1) IN GENERAL.—Not later than January 31 of each calendar year that follows a calendar year during which a covered entity acted as a third-party collecting entity and processed covered data pertaining to more than 5,000 individuals or devices that identify or are linked or reasonably linkable to an individual, such covered entity shall register with the Commission in accordance with this subsection.
(2) REGISTRATION REQUIREMENTS.—In registering with the Commission as required under paragraph (1), a third-party collecting entity shall do the following:

(A) Pay to the Commission a registration fee of $100.

(B) Provide the Commission with the following information:

(i) The legal name and primary physical, email, and internet addresses of the third-party collecting entity.

(ii) A description of the categories of data the third-party collecting entity processes and transfers.

(iii) The contact information of the third-party collecting entity, including a contact person, telephone number, an e-mail address, a website, and a physical mailing address

(iv) A link to a website through which an individual may easily exercise the rights provided under this subsection.

(3) THIRD-PARTY COLLECTING ENTITY REGISTRY.—The Commission shall establish and maintain on a website a searchable, publicly available, central registry of third-party collecting entities that are registered with the Commission under this subsection that includes the following:

(A) A listing of all registered third-party collecting entities and a search feature that allows members of the public to identify individual third-party collecting entities.

(B) For each registered third-party collecting entity, the information provided described in paragraph (2)(B).

(C)(i) A “Do Not Collect” registry link and mechanism by which an individual may, after the Commission has verified the identity of the individual or individual’s parent or guardian, which may include tokenization, easily submit a request to all registered third-party collecting entities that are not consumer reporting agencies, and to the extent they are not acting as consumer reporting agencies, (as defined in section 603(f) of the Fair Credit Reporting Act (15 U.S.C. 1681a(f)), and to the extent such third-party collecting entities are not acting as consumer reporting agencies (as so defined,) to—

(I) delete all covered data related to such individual that the third-party collecting entity did not collect from the individual directly or when acting as a service provider; and

(II) ensure that any third-party collecting entity no longer collects covered data related to such individual without the affirmative express consent of such individual, except insofar as such covered entity is acting as a service provider.

(ii) Each third-party collecting entity that receives such a request from an individual shall delete all the covered data of the individual not later than 30 days after the request is received by the third-party collecting entity.

(iii) Notwithstanding the provisions of clauses (i) and (ii), a third-party collecting entity may decline to fulfill a “Do Not Collect” request from an individual who it has actual knowledge has been convicted of a crime related to the abduction or sexual exploitation of a child, and the data the entity is collecting is necessary to effectuate the purposes of a national or State-run sex offender registry or the congressionally designated entity that serves as the nonprofit national resource center and clearinghouse to provide assistance to victims, families, child-serving professionals, and the general public on missing and exploited children issues.

(c) PENALTIES.—

(1) IN GENERAL.—A third-party collecting entity that fails to register or provide the notice as required under this section shall be liable for—
(A) a civil penalty of $100,50 for each day the third-party collecting entity fails to register or provide notice as required under this subsection, not to exceed a total of $10,000 for any year; and

(B) an amount equal to the registration fees due under paragraph (2)(A) of subsection (b) for each year that the third-party collecting entity failed to register as required under paragraph (1) of such subsection.

(2) RULE OF CONSTRUCTION.—Nothing in this subsection shall be construed as altering, limiting, or affecting any enforcement authorities or remedies under this act.

SEC. 207. CIVIL RIGHTS AND ALGORITHMS.

(a) CIVIL RIGHTS PROTECTIONS.—

(1) IN GENERAL.—A covered entity or a service provider may not collect, process, or transfer covered data in a manner that discriminates or otherwise makes unavailable the equal enjoyment of goods or services on the basis of race, color, religion, national origin, sex or disability.

(2) EXCEPTIONS.—This subsection shall not apply to—

(A) the collection, processing, or transfer of covered data for the purpose of—

(i) a covered entity’s or a service provider’s self-testing to prevent or mitigate unlawful discrimination; or

(ii) diversifying an applicant, participant, or customer pool; or

(B) any private club or group not open to the public, as described in section 201(e) of the Civil Rights Act of 1964 (42 U.S.C. 2000a(e)).

(b) FTC ENFORCEMENT ASSISTANCE.—

(1) IN GENERAL.—Whenever the Commission obtains information that a covered entity or service provider may have collected, processed, or transferred covered data in violation of subsection (a), the Commission shall transmit such information as allowable under Federal law to any Executive agency with authority to initiate enforcement actions or proceedings relating to such violation.

(2) ANNUAL REPORT.—Not later than 3 years after the date of enactment of this Act, and annually thereafter, the Commission shall submit to Congress a report that includes a summary of—

(A) the types of information the Commission transmitted to Federal agencies under paragraph (1) during the previous 1-year period; and

(B) how such information relates to Federal civil rights laws.

(3) TECHNICAL ASSISTANCE.—In transmitting information under paragraph (1), the Commission may consult and coordinate with, and provide technical and investigative assistance, as appropriate, to such Executive agency.

(4) COOPERATION WITH OTHER AGENCIES.—The Commission may implement this subsection by executing agreements or memoranda of understanding with the appropriate Federal agencies.

(c) ALGORITHM IMPACT AND EVALUATION.—

(1) ALGORITHM IMPACT ASSESSMENT.—

(A) IMPACT ASSESSMENT.—Notwithstanding any other provision of law, not later than 2 years after the date of enactment of this Act, and annually thereafter, a large data holder that uses a covered algorithm in a manner that poses a consequential risk of that may cause potential harm to an individual or group of individuals, and uses such algorithm solely or in part, to collect,
process or transfer covered data must conduct an impact assessment of such algorithm in accordance with subparagraph (B).

(B) IMPACT ASSESSMENT SCOPE.—The impact assessment required under subparagraph (A) shall provide the following:

(i) A detailed description of the design process and methodologies of the covered algorithm.

(ii) A statement of the purpose, and proposed uses, and foreseeable capabilities outside of the articulated proposed use of the covered algorithm.

(iii) A detailed description of the data used by the covered algorithm, including the specific categories of data that will be processed as input and any data used to train the model that the algorithm relies on, if applicable.

(iv) A description of the outputs produced by the covered algorithm.

(v) An assessment of the necessity and proportionality of the covered algorithm in relation to its stated purpose, including reasons for the superiority of the algorithm over nonautomated decision making methods; and

(vi) A detailed description of steps the large data holder has taken or will take to mitigate potential harms from the covered algorithm to an individual or group of individuals, including potential harms related to—

(I) covered minors any individual under the age of 17;

(II) making or facilitating advertising for, or determining access to, or restrictions on the use of housing, education, employment, healthcare, insurance, or credit opportunities;

(III) determining access to, or restrictions on the use of, any place of public accommodation, particularly as such harms relate to the protected characteristics of individuals, including race, color, religion, national origin, sex, or disability; or

(IV) disparate impact on the basis of individuals’ race, color, religion, national origin, sex, or disability status; or

(V) disparate impact on the basis of individuals’ political party registration status.

(2) ALGORITHM DESIGN EVALUATION.—Notwithstanding any other provision of law, not later than [2 years] after the date of enactment of this Act, a covered entity or service provider that knowingly develops a covered algorithm, solely or in part, to collect, process or transfer covered data or publicly available information in furtherance of a consequential decision shall prior to deploying the covered algorithm in interstate commerce evaluate the design, structure, and inputs of the covered algorithm, including any training data used to develop the algorithm, to reduce the risk of the potential harms identified under paragraph (1)(B).

(3) OTHER CONSIDERATIONS.—

(A) FOCUS.—In complying with paragraphs (1) or (2), a covered entity and a service provider may focus the impact assessment or evaluation on any covered algorithm, or portions of an covered algorithm, that will be put to use and may reasonably contribute to the risk of the potential harms identified under paragraph (1)(B).

(B) EXTERNAL, INDEPENDENT AUDITOR OR RESEARCHER.—To the extent possible, a covered entity and a service provider shall utilize an external, independent auditor or researcher to conduct an impact assessment under paragraph (1) or an evaluation under paragraph (2).
(EB) AVAILABILITY.—
   (i) IN GENERAL.—A covered entity and a service provider—
      (I) shall, not later than 30 days after completing an impact assessment or
      evaluation, submit the impact assessment and evaluation conducted under
      paragraphs (1) and (2) to the Commission;
      (II) shall, upon request, make such impact assessment and evaluation available to
      Congress; and
      (III) may make a summary of such impact assessment and evaluation publicly
      available in a place that is easily accessible to individuals
   (ii) TRADE SECRETS.— Covered entities and service providers must make all submissions
       under this section to the Commission in unredacted form, but a covered entity and a
       service provider may redact and segregate any trade secrets (as defined in section 1839 of
       title 18, United States Code) from public disclosure under this subparagraph and the
       Commission shall abide by its obligations under section 6(f) of the Federal Trade
       Commission Act (15 U.S.C. 46(f)) in regard to such information.

(BC) ENFORCEMENT.—The Commission may not use any information obtained solely and
   exclusively through a covered entity or a service provider’s disclosure of information to the
   Commission in compliance with this section for any purpose other than enforcing this Act, with the
   exception of enforcing consent orders, including the study and report provisions in paragraph (6)
   of this section. This provision does not preclude the Commission from providing this
   information to Congress in response to a subpoena or official Congressional request.

(4) GUIDANCE.—Not later than 2 years after the date of enactment of this Act, the Commission shall, in
   consultation with the Secretary of Commerce, or their respective designees, publish guidance regarding
   compliance with this section.

(5) RULEMAKING AND EXEMPTION.—The Commission shall have authority under section 553 of title 5,
   United States Code, to promulgate regulations as necessary to establish processes by which a large data
   holder—
   (A) shall submit an impact assessment to the Commission under paragraph (3)(C)(i)(I); and
   (B) may exclude from this subsection any covered algorithm that presents low or minimal
   consequential risk for potential harm to an individuals or group of individuals (as identified
   under paragraph (1)(B)).

(6) STUDY AND REPORT.—
   (A) STUDY.—The Commission, in consultation with the Secretary of Commerce or the Secretary's
       designee, shall conduct a study, to review any impact assessment or evaluation submitted under
       this subsection. Such study shall include an examination of—
       (i) best practices for the assessment and evaluation of covered algorithms; and
       (ii) methods to reduce the risk of harm to individuals that may be related to the use of
       covered algorithms.
   (B) REPORT.—
       (i) INITIAL REPORT.—Not later than 3 years after the date of enactment of this Act, the
           Commission, in consultation with the Secretary of Commerce or the Secretary's designee,
           shall submit to Congress a report containing the results of the study conducted under
           paragraph (Aa), together with recommendations for such legislation and
           administrative action as the Commission determines appropriate.
(ii) ADDITIONAL REPORTS.—Not later than 3 years after submission of the initial report under clause (i), and as the Commission determines necessary thereafter, the Commission shall submit to Congress an updated version of such report.

SEC. 208. DATA SECURITY AND PROTECTION OF COVERED DATA.

(a) ESTABLISHMENT OF DATA SECURITY PRACTICES.—

(1) IN GENERAL.—A covered entity or service provider shall establish, implement, and maintain reasonable administrative, technical, and physical data security practices and procedures to protect and secure covered data against unauthorized access and acquisition.

(2) CONSIDERATIONS.—The reasonable administrative, technical, and physical data security practices required under paragraph (1) shall be appropriate to—

(A) the size and complexity of the covered entity or service provider;
(B) the nature and scope of the covered entity or service provider’s collecting, processing, or transferring of covered data;
(C) the volume and nature of the covered data collected, processed, or transferred by the covered entity or service provider;
(D) the sensitivity of the covered data collected, processed, or transferred;
(E) the current state of the art (and limitations thereof) in administrative, technical, and physical safeguards for protecting such covered data; and
(F) the cost of available tools to improve security and reduce vulnerabilities to unauthorized access and acquisition of such covered data in relation to the risks and nature of the covered data.

(b) SPECIFIC REQUIREMENTS.—The data security practices of the covered entity and of the service provider required under subsection (a) shall include, for each respective entity’s own system or systems, at a minimum, the following practices:

(1) ASSESS VULNERABILITIES.—Identifying and assessing any material internal and external risk to, and vulnerability in, the security of each system maintained by the covered entity that collects, processes or transfers covered data, or service provider that collects, processes, or transfers covered data on behalf of the covered entity, including unauthorized access to or risks to such covered data, human vulnerabilities, access rights, and the use of service providers. With respect to large data holders, such activities shall include a plan to receive and reasonably respond to unsolicited reports of vulnerabilities by any entity or individual and by performing a reasonable investigation of such reports.

(2) PREVENTIVE AND CORRECTIVE ACTION.—Taking preventive and corrective action designed to mitigate any reasonably foreseeable risks or vulnerabilities to covered data identified by the covered entity or service provider, consistent with the nature of such risk or vulnerability and the entity’s role in collecting, processing, or transferring the data,—which Such action may include implementing administrative, technical, or physical safeguards or changes to data security practices or the architecture, installation, or implementation of network or operating software, among other actions.

(3) EVALUATION OF PREVENTIVE AND CORRECTIVE ACTION.—Evaluating and making reasonable adjustments to the action safeguards described in paragraph (2) in light of any material changes in technology, internal or external threats to covered data, and the covered entity or service provider’s own changing business arrangements or operations.

(4) INFORMATION RETENTION AND DISPOSAL.—Disposing of covered data in accordance with a retention schedule that shall require the deletion of covered data when such data is required to be deleted by law or is no longer necessary for the purpose for which the data was collected, processed or transferred, unless an individual has provided affirmative express consent to such retention. Such disposal shall include
destroying, permanently erasing, or otherwise modifying the covered data to make such data permanently unreadable or indecipherable and unrecoverable to ensure ongoing compliance with this section. Service providers shall establish practices to delete or return covered data to a covered entity as requested at the end of the provision of services unless retention of the covered data is required by law, consistent with section 302(a)(6).

(5) TRAINING.—Training each employee with access to covered data on how to safeguard covered data and updating such training as necessary.

(6) DESIGNATION.—Designating an officer, employee, or employees to maintain and implement such practices.

(7) INCIDENT RESPONSE. -- Implementing procedures to detect, respond to, or recover from security incidents or breaches.

(c) REGULATIONS.—The Commission may promulgate in accordance with section 553 of title 5, United States Code, technology-neutral regulations to establish processes for complying with this section. The Commission shall consult with the National Institute of Standards and Technology in establishing such processes.

(d) APPLICABILITY OF OTHER INFORMATION SECURITY LAWS.—A covered entity that is required to comply with title V of the Gramm-Leach-Bliley Act (15 U.S.C. 6801 et seq.) or the Health Information Technology for Economic and Clinical Health Act (42 U.S.C. 17931 et seq.), and is in compliance with the information security requirements of such Act as determined by the enforcement authority in such Act, shall be deemed to be in compliance with the requirements of this section with respect to any data covered by such information security requirements.

SEC. 209. SMALL BUSINESS PROTECTIONS

(a) IN GENERAL—ESTABLISHMENT OF EXEMPTION— (1) Any covered entity or service provider that can establish that it met the requirements described in paragraph subsection (b) (2) for the period of the 3 preceding calendar years (or for the period during which the covered entity has been in existence if such period is less than 3 years) shall—

(A1) be exempt from compliance with sections 203(a)(4), and paragraphs (1) through (3) and (5) through (7) of section 208(b)(1)–(3), (5)–(6)(7), 301(e); and

(B2) at the covered entity’s sole discretion, have the option of complying with section 203(a)(2) by, after receiving a verified request from an individual to correct covered data of the individual under such section, deleting such covered data in its entirety instead of making the requested correction.

(2b) EXEMPTION REQUIREMENTS.—The requirements of this paragraph are, with respect to a covered entity or a service provider and a period, the following:

(A1) The covered entity or service provider’s average annual gross revenues during the period did not exceed $41,000,000.

(B2) The covered entity or service provider, on average, did not annually collect or process the covered data of more than 200,000 individuals during the period beyond the purpose of initiating, rendering, billing for, finalizing, completing, or otherwise collecting payment for a requested service or product, so long as all
covered data for such purpose is deleted or de-identified within 90 days, except when necessary to investigate fraud or as consistent with a covered entity’s return policy.

(c3) The covered entity or service provider did not derive more than 50 percent of its revenue from transferring covered data during any year (or part of a year if the covered entity has been in existence for less than 1 year) that occurs during the period.

(3c) DEFINITION.—For purposes of this section, the term “revenue” as it relates to any covered entity or service provider that is not organized to carry on business for its own profit or that of their members, means the gross receipts the covered entity received in whatever form from all sources without subtracting any costs or expenses, and includes contributions, gifts, grants, dues or other assessments, income from investments, or proceeds from the sale of real or personal property.

(4) JOURNALISM.—Nothing in this Act shall be construed to limit or diminish First Amendment freedoms to gather and publish information guaranteed under the Constitution.

SEC. 210. UNIFIED OPT-OUT MECHANISMS.

(a) For the rights established under sections 204(b) of section 204, and subsection (c) of section 204 (except as provided for under section 101(b)(16)), and section 206(c)(3)(D), following public notice and opportunity to comment and not later than 18 months after the date of enactment of this Act, the Commission shall establish or recognize one or more acceptable privacy protective, centralized mechanisms, including global privacy signals such as browser or device privacy settings, other tools offered by covered entities or service providers, and registries of identifiers, for individuals to exercise all such rights through a single interface for a covered entity or service provider to utilize to allow an individual to make such opt out designations with respect to covered data related to such individual.

(b) REQUIREMENTS.—Any such centralized opt-out mechanism shall—

(1) require covered entities or service providers acting on behalf of covered entities to inform individuals about the centralized opt-out choice;
(2) not be required to be the default setting, but may be the default setting provided that in all cases the mechanism clearly represents the individual’s affirmative, freely given, and unambiguous choice to opt out;
(3) be consumer-friendly, clearly described, and easy-to-use by a reasonable individual;
(4) permit the covered entity or service provider acting on behalf of a covered entity to have an authentication process the covered entity or service provider acting on behalf of a covered entity may use to determine if the mechanism represents a legitimate request to opt out;
(5) be provided in any covered language in which the covered entity provides products or services subject to the opt-out; and
(6) be provided in a manner that is reasonably accessible to and usable by individuals with disabilities.
TITLE III—CORPORATE ACCOUNTABILITY

SEC. 301. EXECUTIVE RESPONSIBILITY.

(a) IN GENERAL.—Beginning 1 year after the date of enactment of this Act, an executive officer of a large data holder shall annually certify, in good faith, to the Commission, in a manner specified by the Commission by regulation under section 553 of title 5, United States Code, that the entity maintains—

1. internal controls reasonably designed to comply with this Act; and
2. internal reporting structures to ensure that such certifying officers are involved in, and are responsible for, the decisions that impact the entity’s compliance by the large data holder with this Act.

(b) REQUIREMENTS.—A certification submitted under subsection (a) shall be based on a review of the effectiveness of the internal controls and reporting structures of the large data holder that is conducted by the certifying officers not more than 90 days before the submission of the certification. A certification submitted under subsection (a) is made in good faith if the certifying officer had, after a reasonable investigation, reasonable ground to believe and did believe, at the time that certification was submitted, that the statements therein were true and that there was no omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

(c) DESIGNATION OF PRIVACY AND DATA SECURITY OFFICER.—

1. IN GENERAL.—A covered entity and a service provider that have more than 15 employees, shall designate—
   1. 1 or more qualified employees as privacy officers; and
   2. 1 or more qualified employees (in addition to any employee designated under subparagraph (A)) as data security officers.

2. REQUIREMENTS FOR OFFICERS.—An employee who is designated by a covered entity or a service provider as a privacy officer or a data security officer pursuant to paragraph (1) shall, at a minimum—
   1. implement a data privacy program and data security program to safeguard the privacy and security of covered data in compliance with the requirements of this Act; and
   2. facilitate the covered entity or service provider’s ongoing compliance with this Act.

3. ADDITIONAL REQUIREMENTS FOR LARGE DATA HOLDERS.—A large data holder shall designate at least 1 of the officers described in paragraph (1) of this subsection to report directly to the highest official at the large data holder as a privacy protection officer who shall, in addition to the requirements in paragraph (2), either directly or through a supervised designee or designees—
   1. establish processes to periodically review and update the privacy and security policies, practices, and procedures of the large data holder, as necessary;
   2. conduct biennial and comprehensive audits to ensure the policies, practices, and procedures of the large data holder work to ensure the company large data holder is in compliance with all applicable laws this Act and ensure such audits are accessible to the Commission upon such request;
   3. develop a program to educate and train employees about compliance requirements of this Act; and
   4. maintain updated, accurate, clear, and understandable records of all material privacy and data security practices undertaken by the large data holder; and
(E) serve as the point of contact between the large data holder and enforcement authorities.

(c) LARGE DATA HOLDER PRIVACY IMPACT ASSESSMENTS.—

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act or 1 year after the date that on which a covered entity or service provider first meets the definition of large data holder, whichever is earlier, and biennially thereafter, each covered entity that is a large data holder shall conduct a privacy impact assessment that weighs the benefits of the large data holder’s covered data collecting, processing, and transfer practices against the potential adverse consequences of such practices, including substantial privacy risks, to individual privacy.

(2) ASSESSMENT REQUIREMENTS.—A privacy impact assessment required under paragraph (1) shall be—

(A) reasonable and appropriate in scope given—

(i) the nature of the covered data collected, processed, and transferred by the large data holder;
(ii) the volume of the covered data collected, processed, and transferred by the large data holder; and
(iii) the potential material risks posed to the privacy of individuals by the collecting, processing, and transfer of covered data by the large data holder.

(B) documented in written form and maintained by the large data holder unless rendered out of date by a subsequent assessment conducted under paragraph (1).

(C) approved by the privacy protection officer designated in subsection (c)(3) of the large data holder.

(3) ADDITIONAL FACTORS TO INCLUDE IN ASSESSMENT.—In assessing the privacy risks, including substantial privacy risks, the large data holder may include reviews of the means by which technologies, including blockchain and distributed ledger technologies and other emerging technologies, are used to secure covered data.

(d)(e) OTHER PRIVACY IMPACT ASSESSMENTS.—

(1) IN GENERAL.—Not later than 1 year after the date of enactment of this Act and biennially thereafter, each covered entity that is not large data holder and does not meet the requirements for covered entities under section 209 shall conduct a privacy impact assessment. Such assessment shall weigh the benefits of the covered entity’s covered data collecting, processing, and transfer practices that may cause a substantial privacy risk against the potential material adverse consequences of such practices to individual privacy.

(2) ASSESSMENT REQUIREMENTS.—A privacy impact assessment required under paragraph (1) shall be—

(A) reasonable and appropriate in scope given—

(i) the nature of the covered data collected, processed, and transferred by the covered entity;
(ii) the volume of the covered data collected, processed, and transferred by the covered entity; and
(iii) the potential risks posed to the privacy of individuals by the collecting, processing, and transfer of covered data by the covered entity.

(B) documented in written form and maintained by the covered entity unless rendered out of date by a subsequent assessment conducted under paragraph (1).
(3) ADDITIONAL FACTORS TO INCLUDE IN ASSESSMENT.—In assessing the privacy risks, including substantial privacy risks, the covered entity may include reviews of the means by which technologies, including blockchain and distributed ledger technologies and other emerging technologies, are used to secure covered data.

SEC. 302. SERVICE PROVIDERS AND THIRD PARTIES.

Amendment to the Amendment in the Nature of a Substitute (SLW_0193), filed by Rep. Hudson (R-NC) and O'Halleran (D-AZ) to H.R. 8152 [PDF]

(a) SERVICE PROVIDERS.—A service provider—

(1) shall adhere to the instructions of a covered entity and only collect, process, and transfer service provider data to the extent necessary and proportionate to provide a service requested by the covered entity, as set out in the contract required by sub-section (b), and this paragraph does not require a service provider to collect, process, or transfer covered data if the service provider would not otherwise do so;

(1)—shall only collect, process, and transfer service provider data to the extent strictly necessary and proportionate to provide a service requested by the covered entity. This paragraph shall not require a service provider to collect or process covered data if the service provider would not otherwise do so;

(2) shall—may not collect, process, or transfer service provider data if the service provider has actual knowledge that the covered entity violated this Act with respect to such data;

(2)—shall—may not collect, process, or transfer service provider data if the service provider has actual knowledge that the covered entity violated this Act with respect to such data;

(3) shall assist a covered entity in fulfilling the covered entity’s obligation to respond to individual rights request pursuant to section 203, by appropriate technical and organizational measures, taking into account the nature of the processing and the information reasonably available to the service provider, responding to a request made by an individual under section 203 or 204, by either—

(A) providing appropriate technical and organizational measures, taking into account the nature of the processing and the information reasonably available to the service provider, for the covered entity to comply with such request for service provider data; or

(B) fulfilling a request by a covered entity to execute an individual rights request that the covered entity has determined should be complied with, by either—

(i) complying with the request pursuant to the covered entity’s instructions; or

(ii) providing written verification to the covered entity that it does not hold covered data related to the request, that complying with the request would be inconsistent with its legal obligations, or that the request falls within an exception to section 203 or 204;

(4) may engage another service provider for purposes of processing service provider data on behalf of a covered entity only after providing the that covered entity that is directing the services or functions of the service provider with respect to such service provider data with notice, and pursuant to a written contract that requires such other service provider to satisfy the obligations of the service provider with respect to such service provider data, including that the other service provider be treated as a service provider under this Act;
(5) shall upon the reasonable request of the covered entity, make available to the covered entity information necessary to demonstrate the service provider's compliance with the obligations in this Act, which may include making available a report of an independent assessment arranged by the service provider on terms agreed to by the service provider and the covered entity, providing information necessary to enable the covered entity to conduct and document a privacy impact assessment required by subsection (d) of section 301, and making available the report required under section 207(c)(2) as applicable;

(6) shall, at the covered entity's direction, delete or return all covered data to the covered entity as requested at the end of the provision of services, unless retention of the covered data is required by law;

(7) shall not transfer service provider data to any person with the exception of another service provider without the affirmative express consent, obtained by the covered entity with the direct relationship to the individual that is directing the services or functions of the service provider with respect to the service provider data, of the individual to whom the service provider data is linked or reasonably linkable;

(8)-(7) shall develop, implement, and maintain reasonable administrative, technical, and physical safeguards that are designed to protect the security and confidentiality of covered data it-the service provider processes consistent with section 208; and

(8) shall allow and cooperate with, reasonable assessments by the covered entity or the covered entity's designated assessor; alternatively, the service provider may arrange for a qualified and independent assessor to conduct an assessment of the service provider's policies and technical and organizational measures in support of the obligations under this Act using an appropriate and accepted control standard or framework and assessment procedure for such assessments. The service provider shall provide a report of such assessment to the covered entity upon request.

(9) shall be exempt from the requirements of section 202(d) with respect to service provider data but shall provide direct notification regarding material changes to its privacy policy to each covered entity with which it provides services or functions as a service provider, in each language that the privacy policy is made available. Compliance with this provision does not alleviate any obligations the service provider has to the covered entity to which it provides services or functions as a service provider.

(b) CONTRACTS BETWEEN COVERED ENTITIES AND SERVICE PROVIDERS.—

(1) REQUIREMENTS.— A person or entity may only act as a service provider pursuant to a written contract between the covered entity and the service provider, or a written contract between one service provider and a second service provider as permitted in section 302(a)(4), provided that described under subsection (a)(4), if the contract—

(A) governs the service provider's sets forth the data processing procedures with respect to collection, processing, or transfer performed on behalf of the covered entity or service provider;

(B) clearly sets forth—

(i) instructions for collecting, processing, or transferring data;

(ii) the nature and purpose of collecting, processing, or transferring;

(iii) the type of data subject to collecting, processing, or transferring;

(iv) the duration of processing; and

(v) the rights and obligations of both parties, including a method by which the service provider shall notify the covered entity of material changes to its privacy practices; and
(C) does not relieve a covered entity or a service provider of an obligation—any requirement or liability imposed on such covered entity or service provider under this Act; and

(D) prohibits—

(i) collecting, processing, or transferring covered data in contravention to subsection (a); and

(ii) combining service provider data with covered data which the service provider receives from or on behalf of another person or persons or collects from its own interaction the interaction of the service provider with an individual, provided that such combining is not necessary to effectuate a purpose described in paragraphs (1) through (15) of section 101 (b) and is otherwise permitted under the contract required by this subsection. The contract may, subject to agreement with the service provider, permit a covered entity to monitor the service provider's compliance with the contract through measures including, but not limited to, ongoing manual reviews and automated scans, and regular assessments, audits, or other technical and operational testing at least once every 12 months.

(2) CONTRACT TERMS.—Each service provider shall retain copies of previous contracts entered into in compliance with this subsection with each covered entity to which it provides requested products or services.

(c) RELATIONSHIP BETWEEN COVERED ENTITIES AND SERVICE PROVIDERS—

(1) Determining whether a person is acting as a covered entity or service provider with respect to a specific processing of covered data is a fact-based determination that depends upon the context in which such data is processed.

(2) A person that is not limited in its processing of covered data pursuant to the instructions of a covered entity, or that fails to adhere to such instructions, is a covered entity and not a service provider with respect to a specific processing of covered data. A service provider that continues to ad-here to the instructions of a covered entity with respect to a specific processing of covered data represents a service provider. If a service provider begins, alone or jointly with others, determining the purposes and means of the processing of covered data, it is a covered entity and not a service provider with respect to the processing of such data.

(2) A covered entity or service provider that transfers covered data to a service provider or a service provider that transfers covered data to a covered entity or another service provider, in compliance with the requirements of this Act, is not liable for a violation of this Act by the service provider or covered entity to whom such covered data was transferred, this Act provided that, if at the time of transferring such covered data, the covered entity or service provider did not know or have reason to know that the service provider or covered entity would likely commit a violation of this Act.

(3) A covered entity or service provider that receives covered data in compliance with the requirements of this Act is not in violation of this Act as a result of a violation by a covered entity or service provider from which it receives such covered data such data was received.

(d) THIRD PARTIES.—A third party—

(1) shall not process third party data for a processing purpose other than, in the case of sensitive covered data, the processing purpose for which the individual gave affirmative express consent or to effect a purpose enumerated in paragraph (1), (3), or (5) of section 101(b), and, in the case of non-sensitive data, the processing purpose for which the covered entity made a disclosure pursuant to section 204(b)(4); (2) for purposes of paragraph (1), may reasonably rely on representations made by the covered entity that transferred the third party data, provided that if the third party conducts reasonable due diligence on the representations of the covered entity and finds those representations to be credible; and
(3) shall be exempt from the requirements of section 204 with respect to third party data, but shall otherwise have the same responsibilities and obligations as a covered entity with respect to such data under all other provisions of this Act.

(e) ADDITIONAL OBLIGATIONS ON COVERED ENTITIES.—

(1) IN GENERAL.—A covered entity or service provider shall exercise reasonable due diligence in—

(A) selecting a service provider; and

(B) deciding to transfer covered data to a third party.

(2) GUIDANCE.—Not later than 2 years after the date of enactment of this Act, the Commission shall publish guidance regarding compliance with this subsection, taking into consideration the burdens on small-and medium-sized covered entities, large data holders, covered entities who are not large data holders, and covered entities meeting the requirements of section 209.

(f) RULE OF CONSTRUCTION.—Solely for the purposes of this section, the requirements for service providers to contract with, assist, and follow the instructions of covered entities shall be read to include requirements to contract with, assist, and follow the instructions of a government entity if the service provider is providing a service to a government entity.

SEC. 303. TECHNICAL COMPLIANCE PROGRAMS.

(a) IN GENERAL.—Not later than 31 years after the date of the enactment of this Act, the Commission shall promulgate regulations under section 553 of title 5, United States Code, to establish a process for the proposal and approval of technical compliance programs under this section specific to any technology, product, service, or method used by a covered entity to collect, process, or transfer covered data.

(b) SCOPE OF PROGRAMS.—The technical compliance programs established under this section shall, with respect to a technology, product, service, or method used by a covered entity to collect, process, or transfer covered data—

(1) establish publicly available guidelines for compliance with this Act; and

(2) meet or exceed the requirements of this Act; and

(3) be made publicly available to any individual whose covered data is collected, processed, or transferred using such technology, product, service, or method.

(c) APPROVAL PROCESS.—

(1) IN GENERAL.—Any request for approval, amendment, or repeal of a technical compliance program may be submitted to the Commission by any person, including a covered entity, a representative of a covered entity, an association of covered entities, or a public interest group or organization. Within 90 days after the request is made, the Commission shall publish the request and provide an opportunity for public comment on the proposal.

(2) EXPEDITED RESPONSE TO REQUESTS.—Beginning 1 year after the date of enactment of this Act, the Commission shall act upon a request for the proposal and approval of a technical compliance program not later than 1 year after the filing of the request, and shall set forth publicly in writing the conclusions of the Commission with regard to such request.

(d) RIGHT TO APPEAL.—Final action by the Commission on a request for approval, amendment, or repeal of a technical compliance program, or the failure to act within the 1-year 180-day period after a request for approval,
amendment, or repeal of a technical compliance program is made under subsection (c), may be appealed to a Federal district court of the United States of appropriate jurisdiction as provided for in section 702 of title 5, United States Code.

(e) EFFECT ON ENFORCEMENT.—

(1) IN GENERAL.—Prior to commencing an investigation or enforcement action against any covered entity under this Act, the Commission and State attorney general shall consider the covered entity's history of compliance with any technical compliance program approved under this section and any action taken by the covered entity to remedy noncompliance with such program. If such enforcement action described in section Sec. 403 is brought commenced, the covered entity's history of compliance with any technical compliance program approved under this section and any action taken by the covered entity to remedy noncompliance with such program shall be taken into consideration when determining liability or a penalty. The covered entity's history of compliance with any technical compliance program shall not affect any burden of proof or the weight given to evidence in an enforcement or judicial proceeding.

(2) COMMISSION AUTHORITY.—Approval of a technical compliance program shall not limit the authority of the Commission, including the Commission's authority to commence an investigation or enforcement action against any covered entity under this Act or any other Act.

(3) RULE OF CONSTRUCTION.—Nothing in this subsection shall provide any individual, class of individuals, or person with any right to seek discovery of any non-public Commission deliberations or activities or impose any pleading requirement on the Commission if the Commission should it brings an enforcement action of any kind.

SEC. 304. COMMISSION APPROVED COMPLIANCE GUIDELINES.

(a) APPLICATION FOR COMPLIANCE GUIDELINE APPROVAL.—

(1) IN GENERAL.—A covered entity that is not a third-party collecting entity and meets the requirements of section 209, or a group of such covered entities, may apply to the Commission for approval of 1 or more sets of compliance guidelines governing the collection, processing, and transfer of covered data by the covered entity or group of covered entities.

(2) APPLICATION REQUIREMENTS.—Such application shall include—

(A) a description of how the proposed guidelines will meet or exceed the requirements of this Act;

(B) a description of the entities or activities the proposed set of compliance guidelines is designed to cover;

(C) a list of the covered entities, that meet the requirements of section 209 and are not third-party collecting entities, if any are known at the time of application, that intend to adhere to the compliance guidelines; and

(D) a description of how such covered entities will be independently assessed for adherence to such compliance guidelines, including the independent organization not associated with any of the covered entities that may participate in guidelines that will administer such guidelines.

(3) COMMISSION REVIEW.—

(A) INITIAL APPROVAL.—

(i) PUBLIC COMMENT PERIOD.—Within 90 days after the receipt of proposed guidelines submitted pursuant to paragraph (2), the Commission shall publish the proposal and provide an opportunity for public comment on such compliance guidelines.

(ii) APPROVAL.—The Commission shall approve an application regarding proposed guidelines under paragraph (2) if the applicant demonstrates that the compliance guidelines—
(I) meet or exceed requirements of this Act; and
(II) provide for the regular review and validation by an independent organization
not associated with any of the covered entities that may participate in the
guidelines and that is approved by the Commission to conduct such reviews of the
compliance guidelines of the covered entity or entities to ensure that the covered
entity or entities continue to meet or exceed the requirements of this Act; and
(III) include a means of enforcement if a covered entity does not meet or exceed
the requirements in the guidelines, which may include referral to the Commission
for enforcement consistent with section 401 or referral to the appropriate State
attorney general for enforcement consistent with section 402.

(iii) TIMELINE.—Within 1 year of receiving an application regarding proposed guidelines
under paragraph (2), the Commission shall issue a determination approving or denying the
application and providing its reasons for approving or denying such application.

(B) APPROVAL OF MODIFICATIONS.—

(i) IN GENERAL.—If the independent organization administering a set of guidelines makes
material changes to guidelines previously approved by the Commission, the independent
organization must submit the updated guidelines to the Commission for approval. As
soon as feasible, the Commission shall publish the updated guidelines and provide an
opportunity for public comment.

(ii) TIMELINE.—The Commission shall approve or deny any material change to the
guidelines within 180 days after receipt of the submission for approval.

(b) WITHDRAWAL OF APPROVAL.—If at any time the Commission determines that the guidelines previously
approved no longer meet the requirements of this Act or a regulation promulgated under this Act or that
compliance with the approved guidelines is insufficiently enforced by the independent organization administering
the guidelines, the Commission shall notify the covered entities or group of such entities and the independent
organization of its determination to withdraw approval of such guidelines and the basis for doing so. Within 180
days after receipt of such notice, the covered entity or group of such entities and the independent
organization may cure any alleged deficiency with the guidelines or the enforcement of such guidelines within 180
days and submit the proposed cure to the Commission. If the Commission determines that such
cures eliminate the alleged deficiency in the guidelines, then the Commission may not withdraw approval of such
guidelines on the basis of such determination.

(c) DEEMED COMPLIANCE.—A covered entity that is eligible to participate under subsection (a)(1), and participates
in guidelines approved under this section shall be deemed in compliance with the relevant provisions of this Act if it is
in compliance with such guidelines.

SEC. 305. DIGITAL CONTENT FORGERIES.

(a) REPORTS.—Not later than 1 year after the date of enactment of this Act, and annually thereafter, the Secretary
of Commerce or the Secretary's designee shall publish a report regarding digital content forgeries.

(b) REQUIREMENTS.—Each report under subsection (a) shall include the following:

(1) A definition of digital content forgeries along with accompanying explanatory materials, except that the
definition developed pursuant to this section shall not supersede any other provision of law or be construed
to limit the authority of any executive agency related to digital content forgeries.

(2) A description of the common sources of digital content forgeries in the United States and commercial
sources of digital content forgery technologies.
(3) An assessment of the uses, applications, and harms of digital content forgeries.
(4) An analysis of the methods and standards available to identify digital content forgeries as well as a description of the commercial technological counter-measures that are, or could be, used to address concerns with digital content forgeries, which may include the provision of warnings to viewers of suspect content.
(5) A description of the types of digital content forgeries, including those used to commit fraud, cause harm, or violate any provision of law.
(6) Any other information determined appropriate by the Secretary of Commerce or the Secretary’s designee.

the study conducted under paragraph (4).

(b) PRE-DISPUTE ARBITRATION AGREEMENTS AND PRE-DISPUTE JOINT ACTION WAIVERS.—

(1) ARBITRATION PRE-DISPUTE ARBITRATION AGREEMENTS.—
(A) Notwithstanding any other provision of law, no pre-dispute arbitration agreement with respect
to an individual under the age of 18 may limit any of the rights provided in this Act.
(B) Notwithstanding any other provision of law, no pre-dispute arbitration agreement is
enforceable with regard to a dispute arising under this Act concerning a claim related to gender or
partner-based violence or physical harm.

(2) PRE-DISPUTE JOINT ACTION WAIVERS.— Notwithstanding any other provision of law, no general
agreement for pre-dispute joint action waiver with respect to an individual under the age of 18 may limit
any of the rights provided in this Act.
(B) Notwithstanding any other provision of law, no arbitral or administrative pre-dispute joint
action waiver may limit any of the rights provided in this Act irrespective of the age of a party to
such agreement.

(3) DEFINITIONS.—For purposes of this subsection:
(A) PRE-DISPUTE ARBITRATION AGREEMENT.—The term “pre-dispute arbitration agreement”
means any agreement to arbitrate a dispute that has not arisen at the time of the making of the
agreement.
(B) GENERAL PRE-DISPUTE JOINT-ACTION WAIVER.—The term “pre-dispute joint-action waiver”
means an agreement, whether or not part of a pre-dispute arbitration agreement, that would
prohibit or waive the right of 1 of the parties to the agreement to participate in a joint, class, or
collective action in a judicial, arbitral, administrative, or other related forum, concerning a dispute
that has not yet arisen at the time of the making of the agreement.
(C) ARBITRAL OR ADMINISTRATIVE PRE-DISPUTE JOINT-ACTION WAIVER.—The term “arbitral or
administrative pre-dispute joint-action waiver” means an agreement, whether or not part of a pre-
dispute arbitration agreement, that would prohibit or waive the right of 1 of the parties to the
agreement to participate in a joint, class, or collective action in a arbitral, administrative, or other
related forum, concerning a dispute that has not yet arisen at the time of the making of the agreement.
(c) RIGHT TO CURE.—

(1) NOTICE.—Subject to paragraph (3), with respect to an action under this section for—

(i) (A) injunctive relief; or

(ii) (B) an action against a covered entity or service provider that meets the requirements of

section 209 of this Act, such action or claim may be brought by a person or class of persons if—prior to initiating such action asserting such claim—the person or class or persons provides to the covered entity or service provider 45 days’ written notice identifying the specific provisions of this Act the person or class of persons alleges have been or are being violated.

(2) EFFECT OF CURE.—Subject to paragraph (3), in the event a cure is possible, if within the 45 days the covered entity or service provider demonstrates it has cured the noticed violation or violations and provides the person or class of persons an express written statement that the violation or violations has been cured and that no further violations shall occur, an action or claim for injunctive relief shall not be permitted and may be reasonably dismissed.

(3) RULE OF CONSTRUCTION.—The notice described in paragraph (1) and the reasonable dismissal in paragraph (2) shall not apply more than once to any alleged underlying violation by the same covered entity.

(d) DEMAND LETTER.—If a person or a identified members of a class of persons sends represented by counsel in regard to an alleged violation or violations of the Act and has correspondence sent to a covered entity or service provider by counsel alleging a violation or violations of the provisions of this Act and requests a monetary payment, such correspondence shall include the following language: “Please visit the website of the Federal Trade Commission to understand your rights pursuant to this letter for a general description of your rights under the American Data Privacy and Protection Act” followed by a hyperlink to the webpage of the Commission required under section 201. If such correspondence does not include such language and hyperlink, the person or joint class of persons shall forfeit their rights under this section. A civil action brought under this section by such person or identified members of the class of persons represented by counsel may be dismissed without prejudice and shall not be reinstated until such person or persons has complied with this subsection.

(e) APPLICABILITY.—

(1) IN GENERAL.—This section shall only apply to any a claim alleging a violation of section 102, 104, 202, 203, 204, 205(a), 205(b), 206(b)(3)(D) 206(b)(3)(C), 207(a), 208(a), or 302 for which relief described in subsection (a)(2) may be granted, or a regulation promulgated under any such section.

(2) EXCEPTION.—This section shall not apply to any claim against a covered entity that has less than $25,000,000 per year in revenue, collects, processes, or transfers the covered data of fewer than 50,000 individuals, and derives less than 50 percent of its revenue from transferring covered data.
